Hair to be Shorter, More Color in '53

By ILENE ALLISON
MEnlo 4-2430

Now hear this! According to Mrs. Carmen Chavez, owner of a local beauty salon who attended the three-day convention of cosmeticians in Santa Cruz Aug. 15-17, milady will wear the very casual short haircut, preferably the very popular Italian boy cut. But there is more—colors will be used, and what colors! Most popular will be flame red, the smoke gray will—as always be popular both in young and old, but the new blues are so different and attractive. Also attending this parade of units from this area were Mrs. B. Grace, instructor at El Camino, and Unit President (Centinela branch) Mrs. Myrtle Rocha, owner of a salon in Torrance.

Now that the hair style situation has been dispensed with, Mrs. Walter Smith up Faysmith way tells the latest in fall costume jewelry. Gorgeous silver leaves set within blue stone, jets, crystal, and clips in every shape. Need we mention the earrings? Long danglers and studded drops. The sixteen ladies who gathered at the home of Mrs. Laura Pesola to view the wares went home loaded with new articles sure to enhance the most simple costume.

The Labor Day weekend found many taking to the road, including a trio of families who enjoyed camping out near Lake Elizabeth. The Hamilton Blacks, Lou Simons and Delbert Alford's roughed it and really thrilled at the prospect of another weekend away from it all before settling down to another school year.

The Gastelums took their small fry to Crash Corrigan's Ranch to see just what goes on behind the scenes and trudged many a mile viewing the horses, etc. This reporter ran onto the family shopping for school clothes and after adding the bills we both decided the time to start shopping for back-to-school clothes was the day school is dismissed for summer vacation! The Gastelums reside at 17507 Ermanita Ave.

This bit of news concerning the school situation in our area will be of interest to all of you. Mr. Emmett Ingram, business manager of the Torrance School District, informs me that the Evelyn Carr School will not be ready for at least two months after school has started. As soon as a dozen classrooms have been completed, the entire student body will move in unison to the new school. This will include the kindergarten through the eighth grade. As nearly as possible the pupils who would normally attend the Carr School will be segregated, and when the school is ready both the teacher and her pupils will be moved. Sidewalks must be poured and gutters installed before occupancy. Double sessions will be necessary through the sev-
